

Chiva-Som is continuously recognized as a coveted destination spa focusing on health and vitality through its signature holistic approach. Combining international standards with traditional Thai values and beliefs in order to deliver individual wellness programs in a positive, non regimented way. We abide by a holistic approach to health, which fully incorporates the mind, body and spirit.

Chiva-Som's philosophy promotes healthy living through tailored programs which integrates specialized treatments, award-winning spa cuisine meals and education. Chiva-Som provides the platform of support needed towards embarking upon the path to greater wellness. We understand that the definition of "health" widely varies, hence this is why we stand by our very personalized approach.

On arrival, every guest is assigned a Health & Wellness advisor (a qualified naturopath practitioner) who extensively plans their program based on an evaluation of unique needs and interests. Our team of health advisors passionately guides and encourages each guest through their unique journey to long lasting wellbeing.
