

Kayumanis properties are situated in four serene locations within the spiritual isle of Bali and in China, allow guests to enter a world of uncompromising luxury with a personalized level of service. Each site has been carefully chosen for its outstanding natural beauty, such as the lush river valley of Ubud and a seaside grove of dancing coconut palms in Jimbaran Bay.

Kayumanis villas are the epitome of contemporary style and comfort, featuring fully air-conditioned bedrooms, exposed living areas, tropical landscaped gardens and individual swimming pools. Fully equipped gourmet kitchens are also in each villa, where breakfast will be discreetly prepared and served by your personal butler. Guests have the option to either have an in room butler prepare meals or simply dine at the signature restaurant.

An in-house Spa facility at each location is dedicated to concise body and beauty rituals. Recognizing that guests come to Kayumanis to unwind, all Spa treatments focus on natural healing therapies designed to rejuvenate, relax and nurture the body and spirit.
