Carefully placed in a lush green setting and surrounded by towering cliffs with the shimmering waters of the Albert Falls Dam in view, the Spa and its luxurious boutique hotel provide levels of intimate exclusivity and personalized service unparalleled in this part of KwaZulu Natal in South Africa.

The 3500 hectares are stocked with white and black rhino, Cape buffalo, wildebeest, giraffe, zebra, impala, kudu, waterbuck, nyala, Red hartebeest, bush buck, eland, common reedbuck, blesbuck, Grey duiker, Blue duiker, warthog, bushpig, Samango & Vervet monkeys, hundreds of species of indigenous birds and plants. The land is also blessed with five waterfalls including the 105 m Karkloof Falls.

Karkloof Spa, Boutique Lodge, Wellness & Wildlife Retreat will capture the imagination and invite guests to submit mind and body to complete revitalization... with a uniquely African sensibility.
